MACK

CAFÉ

When entering The Bulldog Mack you take a walk down memory lane. You can call The Mack a tribute to the founders of the Red Light District. Many pictures cover the walls of famous or known people in the area. From prostitutes to the local grocery store to the local mafia. There is a lot of history in the Red Light District and we want to show you. There are even pictures of owner Henk de Vries on the wall from when he was a little boy. Can you find them? Besides the history, The Bulldog Mack is a great location for getting a drink and watch some sports games. Interested in some sports? Take a look at our screens for the upcoming games.
